REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

**It appears that errors have been introduced in the course of printing the
Patent issued in the above application, and it is respectfully requested that the

**Applicants observe that the above-mentioned references were cited on a

Serial No. for that case, instead listing the US Serial No. of the present application.

Since the above-mentioned references were not cited by the present applicants, and since those references are related to water bottles, which have nothing to do with the patented invention, correction as indicated above is respectfully requested. A copy of the PTO-1449 form that was improperly matched up with the present application is attached herewith.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'LSZ', with a long horizontal flourish extending to the right.
